| Achieving Professional Excellence (APEX) | APEX, hosted by Schulich School of Business, is a yearly initiative that attracts Canada's top undergraduate business students from across the country. Its mission is to bridge the gap between classroom learning and the corporate community. This year, the conference will feature prominent business professionals as keynote speakers, workshop hosts, and panelists to educate you through the day. At night, you will be a guest at Toronto's hottest venues, completing the APEX experience. | March 2012 | TBA | TBA | jsilva@apexconference.com | www.apexconference.com |
| CME Trading Simulation Competition | The CME Trading Simulation Competition provides students with the opportunity to compete in a daylong trading simulation, gain valuable experience, and network with industry professionals. In this competition, the participants can challenge other traders while using long and short trading strategies for 10 stocks. This day will be a great opportunity to network and benefit from a hands on educational experience. | November 2011 | University of Guelph | \$40 per delegate | mackland@uoguelph.ca | www.cmetradingsimulation.ca |
| Dalhousie Business Ethics Case Competition (DBECC) | DBECC gives students an excellent opportunity to not only network with students across Canada and United States but also with potential employers. The competition will consist of three rounds in which students will critically evaluate and present recommendations on professional, specially commissioned cases to a panel of judges. Teams are judged on their ability to effectively balance the ethical, financial, legal, and social consequences of their decisions. The competition is both enriching and challenging. | November 11-13, 2012 | Halifax | \$1000 (Team of 4 delegates) | veronica@dbecc.com | www.dbecc.com |
| DECA | In today's business world teamwork, consensus building, decision-making, goal orientation, and interpersonal skills are highly valued. Although, cooperative effort is valued, organizations also demand individual thinking. DECA seeks to transform students into team workers and help them recognize that their own success depends on the success of others. DECA provides students with hands-on experiences in the fields of marketing, business and entrepreneurship. It also enhances the classroom experience by providing conferences and competitions that mold students into character-driven leaders | TBA | TBA | TBA | Hussein Yassin | |
| Enterprize Competition | Enterprize is a national business plan competition and conference hosted by UBC's Sauder School of Business in February 2012. It is in its eleventh year and is one of the largest student-led entrepreneurship conference held in Canada. Over Enterprize's history, it has served as the launching pad for many successful businesses, given away hundreds of thousands in cash prizes, and inspired thousands of students to turn their ideas into viable businesses. This year, the regional Enterprize competition will be hosted by University of Guelph. | Regional Competition: January 2012 Semi Final and Final Competition: February 2012 | University of Guelph | TBA | mohamedy@uoguelph.ca | www.enterprizecanada.org |
| Globe IMC | GLOBE iMC is an annually-held 3-day conference in Toronto, Ontario which strives to provide experience to and educate students on topics related to working abroad and travelling internationally. It is intended for business students with an international mindset who wish to broaden their horizons and expand their working knowledge of the field of international business. The conference consists of various workshops, along with key-note speakers to lecture and answer questions about their careers in the international business world, as well as give advice to delegates to further their careers in business. | November 10-12, 2011 | Toronto, Ontario | TBA | | www.globeimc.com |
